

TERRIFIC FIRE AT BELIZE.

Our Belize Correspondence.

Belize, British Honduras, March 16, 1863.

Our Five Hundred Houses and Stores Destroyed.—A Storekeeper Blown Up by Gunpowder.—The Power of Water Inefficient to Check the Flames.—A Negro Burned to Death Owing to His Refusal to Leave His House—Heavy Losses, &c., &c.

This town was visited on Tuesday night, 10th inst., with an extensive conflagration, destroying some five hundred houses and thirty stores—among them those of Messrs. Johnson & Co., James Thompson, Wm. Peble, George Haylock, Wm. J. Fox, Francis Richard, Marmalard and C. Hempshead, who in addition to the destruction of his property, was blown up by the premature explosion of gunpowder, with which he was endeavoring to stay the progress of the fire. This is the second time this gentle man's property has been destroyed by fire in seven years, and on each occasion, with a diabolicalness rare to be found, he has sacrificed his own interest to save his neighbors' property. Although badly injured he is in a fair way to recover. The fire broke out about two o'clock A.M., and raged until ten. The buildings being mostly of wood and a gale of wind blowing at the time the first engines were of no use. Gunpowder, the crew of the English man-of-war in port, with the assistance of the crews of foreign vessels, alone saved the southern portion of the town from total destruction. An old colored man was burned in his own house—deliberately walking in it when it was on fire, sitting down on a box and calmly facing the elements until life was extinct. The loss falls heavily on many poor families, who are homeless and penniless. The generous liberality of Mr. Tolson, Mr. Matha and other gentlemen, has done much to alleviate their distress. His Excellency Governor Sayles was very active in rendering assistance, and many will long have occasion to remember his kindness.

Society of Friends of Abolitionists.—Lewis Carr, a wealthy citizen of Fane county, Indiana, committed suicide on Saturday week by hanging himself with a big chain. He was a violent abolitionist, and became insane on the subject of abolitionism.

AMALGAMATION IN BOSTON.—During the year 1862 there were six cases where a white woman was married to a colored man, but not one of a marriage between a white man and a colored woman.
